RE: COVID 19

March 18, 2020

Dear Brothers and Sisters,

In adherence with an order set forth by the Director of the Ohio Department of Health prohibiting mass gatherings, **the regular monthly union meeting of Iron Workers Local 172 scheduled for March 20, 2020, has been cancelled.** A special meeting of officers will take place to address upcoming events.

The Local Union Hall has been locked down to all foot traffic, but business can still be conducted by phone, text or email. The Apprentice School has been shut down as well, current students are proceeding with classes online.

No precedence has been established in the past with the current situation of the world. Local 172 will take this crisis on a one day at a time by most importantly keeping the safety and health of our members and their families first and foremost.

Fraternally,

Benton M Amburgey Jr
